

## 2012 St. Martin Parish Livestock Show Results

The St. Martin Parish 4-H & FFA Livestock Show was held on January 13-14, 2012 at the St. Martin Parish Livestock Show Barn on the Breaux Bridge High School campus. Forty-one 4-H members exhibited a total of 96 beef, dairy, sheep, goat, and swine animals. The livestock projects (1) are tools for the development of life skills by 4-H and FFA members, (2) provide an opportunity to expand their knowledge of livestock production and management, (3) improve and enhance livestock production in Louisiana. Therefore, the purpose of the 4-H livestock program is to provide opportunities for young people to develop character and life skills. Character traits identified are: leadership, respect, trustworthiness, responsibility, fairness, caring, honesty, integrity, self-esteem, and citizenship. Youth develop life skills and character traits when they are involved in each phase of the livestock project for selection through the show ring. The results of the 2012 St. Martin Parish 4-H & FFA Livestock Show are as follows:
