

St. Martin Parish School Board
Summer Feeding Program News Release

The St Martin Parish School Board is participating in the Summer Food Service Program. Breakfast and lunch meals will be provided to students attending Summer Learning, athletic and other enrichment programs at the schools listed below. Grab and Go meals will be provided to children (18 years and under or disabled children 19 and over enrolled in a public or private school) without charge. This includes children in the community regardless if they are school age and attend public or private school. Seven breakfast and seven lunch meals will be distributed once per week at the Grab & Go sites, dates and times listed below. Meals are first come, first serve. Parents do not need to register to receive meals for this program. If children are not present in the vehicle for pick up, parents must complete a Meal Pick Up form. It can be found at

A form needs to be completed for every week’s meal pick up. Meals will not be distributed without it. This is only required when children are NOT in the vehicle.

Acceptance and participating requirements for the program and all activities are the same for all regardless of race, color, national origin, sex, disability, age or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA, and there will be no discrimination in the course of the meal service.
